2. What would you suggest for upcoming meetings?
- No suggestion at this time.
 - Leader training – Change, Courage, Conflict, Collegiality, IT Training, Presbyterian Curriculums.
 - Bring/invite the youth from churches to attend Presbytery meeting with the hope of helping them to know the bigger church. Perhaps the youth could lead worship or music/sing/choir.
 - Return to receiving 2 Coins A Meal at the lunch.
 - We all had trouble coming up with joys of the world. Joy or laughter workshop. Guns to Garden Tools Blacksmithing Demo.
 - Different types of missions done in different towns, states, countries.
 - Please have actual bread for gluten free option for communion. Crackers were a disappointment. Also a gluten free desert would be nice.
 - Make sure slides, etc. are visible to audience.
 - Would have liked to have had more time to visit other mission tables.
 - Encourage speakers to limit their reports, possibly with encouragement from the moderator, to a certain number of minutes.
 - It would be helpful if the hosting church would provide their Wi-Fi password at the check-in table if they have one available.
 - Continue to work on having a specific theme around which the Presbytery meeting/call is organized.
 - Consent agenda set apart more clearly. Did we vote on staff twice?
 - On a Saturday.
